Dear Aman:

Congratulations! The Purdue University Admissions Committee is pleased to offer you admission to First Year Engineering in the College of Engineering for Fall 2018. Take time to celebrate -- you've completed your first step toward becoming a Boilermaker!

This offer of admission is based on the committee's evaluation of your application. Our decision reflects confidence in your ability to successfully meet the educational challenges at Purdue. Your successful matriculation is contingent upon your continued academic achievement in preparation for a Purdue experience. Please keep in mind students are expected to maintain the academic and personal conduct standards upon which they were admitted. The University reserves the right to rescind an admission offer if an individual's circumstances warrant.

You have been assigned the following Purdue University identification number 00304-91809. To continue the path to become part of the Purdue family, visit <https://www.purdue.edu/apps/account/AccountSetup> and use the following career account setup password T1GJSF to set up your student career account. Your student career account is required to accept your admission offer online and to apply for on-campus housing. It also provides access to your @purdue.edu email, and once you have accepted your offer of admission, it will provide access to your myPurdue online student portal at www.mypurdue.purdue.edu.

In the coming months, look for more information by email, which will facilitate your transition to Purdue. If you wish to accept your offer of admission, you will be required to pay the non-refundable \$400 fee deposit through your myPurdue account. After you complete the admitted student steps, you will be notified by the Office of International Students and Scholars regarding your I-20 in order to apply for the student visa. For further detailed information and important deadlines please visit www.iss.purdue.edu/admitted <<http://www.iss.purdue.edu/Admission/admitted.cfm>>.

If you have further questions, please feel free to contact us and we look forward to meeting you on your arrival. Our faculty and staff are committed to your success, and we welcome you to the Purdue community.

Congratulations again on being accepted at Purdue University!

Sincerely,

Bryant O. Priester
