Chirag,

We are honored that you chose to apply to the Georgia Institute of Technology. This year, we received a large number of applications from highly qualified students.

In our holistic admission process, all applications are reviewed by multiple staff members. But due to the competitiveness of this year's applicant pool, we are unable to offer you admission for Fall 2019.

However, we are pleased to offer you the option of the Georgia Tech Arts & Sciences Pathway Program for Fall 2020 as a transfer student.

The Georgia Tech Arts & Sciences Pathway Program provides you an opportunity to transfer to Georgia Tech and pursue a major within the College of Design, Ivan Allen College of Liberal Arts, or College of Sciences. **This program is for admission during the Fall 2020 term only.**

Please [visit our website](#) to review the Georgia Tech Arts & Sciences Pathway Program requirements, which include the following:

1. Enroll full-time at another accredited U.S. college or university for a minimum of 30 semester or 45 quarter [credit hours](#).
2. Complete the [required courses](#) for your intended major.
3. Establish both an overall and a math/science GPA of 3.3 or above.
4. Complete a [transfer application](#) for Fall 2020 by March 1, 2020.

We sincerely hope you will consider this opportunity.

Sincerely,

A handwritten signature in black ink that reads "Rick Clark". The signature is written in a cursive, slightly slanted style.
